

## EuNat - European Naturist Commission

Dear Federations,

### INVITATION TO THE ANNUAL MEETING OF EUNAT

It is with immense pleasure that we extend a warm invitation to you for our next EuNat meeting.

**Where:** Los Angeles Hotel Rancho los Mangos, Zipolite, Oaxaca, Mexico

**When:** 16<sup>th</sup> October 2024 at 0900 to 1800 (all times local)

The World Congress of the INF-FNI will start the following day, 17<sup>th</sup> October, at 1400. You will have Wednesday night and Thursday morning to relax, before the congress begins.

This will be EuNat's first meeting held at the same time and place as the International Naturist Federation's World Congress. For that reason, we are using the same registration procedure as for the Congress. Please note that the prices displayed cover your meal costs throughout the Congress period.

- How to register:**
1. Register on Fienta and select and pay for your meal plan no later than 16 August. Visit <https://fienta.com/inffni-congress-2024>
  2. Book your accommodation directly with one of the recommended hotels (see [Annex A to the invitation to the World Congress](#)).

**You are strongly encouraged to reserve your accommodation as soon as possible. We understand other sizeable events are planned at Zipolite at the same time as the Congress, so booking early will ensure the widest choice.**

We hope to attract the full array of European federations to the meeting, and observers from non-European federations are also welcome to join.

Please refer to the [invitation to the Congress](#) for practical information.

### Motions

Please submit your motions and subsidy requests to [eu-office@inf-fni.org](mailto:eu-office@inf-fni.org) by August 16<sup>th</sup>.

Please note that all subsidy requests should take the form of motions. Federations wishing to apply for a subsidy should

- a. Complete a [subsidy request form](#) and send it to me; this sets out the provisional budget for the event, and
- b. Submit a motion for consideration at the meeting of EuNat, in the three official languages of the INF-FNI. The motion should
  - i. State what subsidy is requested
  - ii. Describe the event or initiative, including, as applicable, a proposed programme, an indication of the number of participants expected, and any entry fee participants would be expected to pay, and
  - iii. Provide arguments as to why a subsidy should be granted, referring to the criteria set out in the [current EuNat strategy](#).

Sook-Hwa, our Sports Officer, James, our Youth Officer and I look forward to greeting you all in person in Mexico!

Naturist regards,  
Laurent Luft  
EuNat Chairperson
